Learn your Girl Scout Brownie Hiker Badge at Uncle Shuck's

We have worked with the Girls Scouts and here are the five steps needed to complete this badge. For additional information please refer to The Brownie Girls Guide to Girl Scouting.

**Before you go complete steps 1, 3, & 4**

**Step 1:** Decide where to go
- Your choice is made. You are going to Uncle Shucks Corn Maze and Pumpkin Patch.

**Step 3:** Pick the right gear
- Talk about appropriate footwear for hiking.
- Visit an outdoor outfitter (REI or Outdoor World across from the outlet mall located near Uncle Shuck's) to discover different gear types need for different weather and activities.

**Step 4:** Pack a snack for energy
- In your Girl’s Guide to Girl Scouting there are several recipe ideas
- Make trail mix full of energy rich foods and bring your water bottle.

**At Uncle Shuck’s compete steps 2 & 5:**

**Step 2:** Try out a hiking skill: Know the trail
- Uncle Shuck’s will explain how to read the map.
- You may look at the path online at www.uncleshucks.com
- Notice where the paths are and where the corn is. Remember the lines are the paths.

**Step 5:** Go on a hike: Play a game
- Uncle Shuck’s providers a clue game called FSI Farm Scene Investigation
- Find all 12 checkpoints

Earn your Girl Scout Junior Gardener Badge at Uncle Shuck’s

We have worked with the Girls Scouts and here are the five steps needed to complete this badge.

For additional information please refer to The Junior Girls Guide to Girl Scouting.

At Uncle Shuck’s compete steps 1, 2 & 3:

Step 1: Visit a garden
  • Visit Uncle Shuck’s Corn Maze.
  • Take a walk through the Maze of knowledge to learn facts about corn and its uses.
  • In addition, visit the soybean maze and the information board to learn about soybeans.

Step 2: Explore garden design
  • Try to find out how the maze was made?
    o Was it planted in the pattern?
    o Was it cut in the pattern?
    o Did aliens make it?

Find the answer on the overhead map as you enter the maze.

Step 3: Learn how to choose garden plants
  • As a group read the book Tops Middle and Bottoms (available at Uncle Shucks for use)
  • Scouts learn what food grows below the ground, above the ground and in trees.

After you go complete steps 4 & 5

Step 4: Experiment with seeds
  • Uncle Shuck’s will provide the leader with corn, soybean and sunflower seeds to complete this step on their own.

Step 5: Grow your Garden
  • Refer to The Girls Guide to Girl Scouting and complete this step.

See you soon at Uncle Shuck’s
